

Sr. Fidelma's 90th Birthday

PBVM ~ USA Unit

Due to COVID-19, Sr. Fidelma's birthday celebration was a little out of the ordinary. Our sisters in Southern California surprised Sr. Fidelma with a drive-by celebration with all the fixings (balloons, signs, cake, etc.).

Regardless of the restrictions, the day was filled with laughter, joy, and lots of fun.

"It came as a complete surprise, it was so lovely and a day to be remembered. Everyone was so thoughtful."

"In all my 90 years, I never had a celebration quite like this one. I expected it to just be an ordinary day, but instead it was a great surprise."
