

Imagining Justice

By A Beautiful Gathering of Spirits

Verse: No one is hungry, no pay day loans.
We want a living wage and affordable homes.
Clean air and water, gardens to share.
We're going to keep working, until we get there.

Chorus: Dreaming a future,
Justice for all.
What we do matters,
Answer the call.

Verse: All children safe, no guns in school.
Racism dismantled, and love is our fuel.
Joyful resistance, for the common good.
Every voice heard, in all neighborhoods.

Chorus: Dreaming a future,
Justice for all.
What we do matters,
Answer the call.

Verse: Loving this planet, tending the earth.
Beloved community, coming to birth.
Differences treasured, everyone thrives.
No strangers among us, and hope is alive!

Chorus: Dreaming a future,
Justice for all.
What we do matters,
Answer the call.

Chorus: Dreaming a future,
Justice for all.
What we do matters,
Answer the call.
Answer the call
Answer the call
Answer the call
Answer the call.
