Scheduled Lessons will be given during weeks cited.

When there is a group lesson, there are no individual lessons for that week. Group assignments will be made at the first quarter and will be for a Monday at 3:30 or a Tuesday at 5:00. The group lesson lasts 1 hr. and 15 min.

The rehearsal time will be in immediate preparation for the RECITAL and will be held in the time frame of Thursday from 4:00 to 5:00 or on Friday from 5:00 to 6:00. Students may come for any half hour during the Thursday or Friday time frame to play their pieces to the audience of other students also gathered along with any parents. This rehearsal replaces the week's private lesson.

The following Fridays for each quarter: Oct. 28, Jan 13, Mar. 10, and May 12 from 11:00 to noon are available for rescheduling due to excused absences because of advance notice of illness.
