Tuition for the year covers 32 lessons for the academic year. Some of these will be group lessons and two will be rehearsals. The yearly schedule indicates the beginning dates for each of the four quarters. Performance classes, recitals and other performance opportunities are included in the curriculum.

Tuition payments of \$156.00 for 30 minute lessons or \$234.00 for 45 minute lessons are due the beginning of each quarter. Payments may be made by the quarter, by semester, yearly or monthly as desirable. There will be a late fee of \$15.00 for non-payment ten days after the beginning of each term and this fee will be deducted from the materials and fee deposit.

A \$75 materials and fee deposit is due with the tuition fee upon beginning lessons. Any book and fee funds that are not used will transfer over to the next year, or be refunded if applicable.

A registration fee of \$20 will reserve a place in the studio schedule, compensate for picking up music and for loaned music, cover recital, administrative, computer and music literature expenses.
